Help Wanted City of Alexandria

Equipment Operator II, Wastewater

Annual Salary: \$29,078.40 Grade: 17 (Employees: Refer to Civil Service Rule VI.3.1 and VI.17 for promotional rate) Appointment to a position in the classified service shall be at the minimum of the corresponding pay range unless otherwise approved.

Benefits Offered: 17.94% employer retirement contribution; sick and vacation leave; health, dental, vision, and supplemental insurances offered.

Kind of Work

The purpose of this classification is to operate light and medium-sized equipment and perform manual work functions associated with construction, maintenance and repair of City streets/roads, drainage systems, right-of-way areas, parking lots, parks, recreation facilities, grounds areas, or other areas of assignment. Emphasis is on the operation of trucks, tractors, and other equipment that include mechanisms that are somewhat complex to operate, requiring more dexterity and finesse, or larger vehicles requiring a higher level of skill to drive/maneuver in and around confined spaces; incumbents may occasionally operate equipment at higher levels, but not as their primary work function. Classification is reserved for those positions where operation of included equipment is the primary function of the job. Positions in the Wastewater Department may be subject to 24-hour call.

Minimum Applicant Qualifications:

- High school diploma or GED; supplemented by two (2) years' experience in the operation of medium-sized equipment, such as bush hogs, backhoes, mini-excavators, large tractor-trailers, etc.; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job.
- **Must possess a valid Class B commercial driver's license and may be required to obtain Flagger certification.**
- Assignment on some equipment may require a Class A commercial driver's license and/or special endorsements.
- Will be required to obtain a valid State of Louisiana Class A or B commercial driver's license at time of appointment and must maintain throughout employment for this classification.
- **Needs to be knowledgeable in the operation of hydraulic sewer cleaning equipment.**

Work Hours:

Mon – Fri, 7 AM to 3:30 PM

Every 3rd to 4th week will duty week and hours will be 9:30 AM to 6 PM

Kind of Examination

This examination may consist of a written test, a rating of training and experience, a performance test or any combination thereof deemed necessary to adequately screen and rank applicants. **Examination notices will be sent out via email with a testing date, time, and location.** Applicants must supply complete and accurate information concerning their previous training and experience including a detailed description of their work experience, the names and addresses of all previous employers and the dates of employment. The information is subject to verification.

Accepting applications: April 28, 2021 – May 12, 2021 by 4pm
