Water Leak/Meter Survey Form

LRWA Energy Technician's Name

Date

Dear Decision Maker,

Please complete **ALL** information below then fax (337-738-5620) or email (ahargrave@lrwa.org) so the LRWA Energy Technician can provide the requested **Water Leak Detection** or **Water Meter Bench Survey**. This information **is necessary** for the technician to conduct the survey; LRWA requires this information **before** the survey will be performed. **If the information is not provided prior to the technician's arrival; this will be just caused to reschedule the survey.** If you have any questions regarding this form, please contact the LRWA at 800-256-2591.
