Booth Assignment:

Booth space assignments will be provided when you sign in at the Lake Charles Event Center. The reduced-price registration **deadline is May 31, 2026**. LRWA will not hold booth spaces or process registrations without payment. Registrations will be accepted until July 1, 2026, or until all spaces are sold, whichever comes first. (usually, sell out of booth spaces by April 1st). If an exhibitor/vendor wishes to be next to another company, **BOTH** registrations with payment must be sent to LRWA at the same time noting to be next to each other. If this is not done, LRWA cannot guarantee booths will be next to each other. Booth placement is done through the date order of the registration and payment is received (first-come basis).

Exhibitor Unloading:

The Lake Charles Event Center does have a forklift. Exhibitors can park and enter at the north side of the Lake Charles Event Center near the loading dock area. This is where the sign-in desk is located. All Exhibitors must sign in at the exhibitor registration desk to receive conference material and booth location. Directions for unloading will be provided at this time. Lake Charles Event Center is not responsible for receiving/holding material for your booth. If you wish to ship booth material, please utilize Clark Services.

If you have a door prize(s) that you want LRWA to present, please bring them to the Exhibitor Registration Desk before 10:00 am on Thursday. Place your company's name, contact person, and phone number on the item(s) so that the winner of your item(s) will know the company that provided the prize.

Each classroom attendee is given a sheet with ALL exhibitors listed. We ask them to get the initials of a representative from each booth and then turn in the form for a chance to win a door prize. This is done to encourage the attendee to go by each booth to speak with someone about the products/services provided.
