## Help Wanted

### Crew Supervisor, Water Distribution,

**Annual Salary Range: \$38,987.83 - \$58,460.06 Grade: 23**

The City of Alexandria is seeking professional individuals to begin a career in the Water Distribution Department, to perform technical tasks at the supervisory level on an assigned shift, performing various construction, repair, maintenance, and operational activities, and ensuring compliance with established standards in support of the Water Department.

#### **Duties and Responsibilities:**

- Monitors work in progress and ensures compliance with established standards; advises crews in techniques and practices; reviews reports; prepares requests for materials and supplies.
- Maintains inventory of equipment, parts and supplies; orders materials and equipment needed for each job; perform routine safety inspections on equipment; coordinates needed repairs.
- Oversees and participates in the inspection, construction, repair, service and maintenance of utility system lines, facilities and equipment.

#### **Minimum Qualifications:**

Five (5) years of progressively responsible experience in water distribution or treatment; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job. Depending on the area of assignment, must possess and maintain a valid State of Louisiana Class IV Water Distribution certification, or Class IV Water Production and Treatment certifications.

#### **Necessary Requirements:**

High school diploma or GED. Candidates with lesser certifications may be considered depending upon their previous work history, level of certification, and the needs of the department. Such candidate(s) selected for hire must enter into a written transition plan to achieve certification as a Class IV Distribution Operator or Class IV Water Production and Treatment Operator. Will be required to obtain and maintain specialized certifications and/or training as deemed necessary. Must possess a valid driver's license. Will be required to obtain a valid State of Louisiana driver's license at the time of appointment and a valid State of Louisiana Class D driver's license within 60 days and maintain throughout employment for this classification.

**Work Hours: 40 hours per week; may work overtime, weekends, and holidays.**

**Accepting applications: Until filled**

*Applicants must supply complete and accurate information concerning their previous training and experience, including a detailed description of their work experience, the names and addresses of all previous employers and the dates of employment. The information is subject to verification.*

**Must include copies of driver's license, diploma, GED, DD214, degree, etc. with application.**

**APPLY ONLINE AT [WWW.GOVERNMENTJOBS.COM/CAREERS/ALEXANDRIALA](http://WWW.GOVERNMENTJOBS.COM/CAREERS/ALEXANDRIALA)**

**Civil Service Department Ph. (318) 449- 5077 or (318)449-5030 Fax (318)449-5232,**
